These rehearsals will be in lieu of their normal class times. **This schedule does NOT affect 3D's First Steps Classes (Bitty Ballet, Tiny Toes, Move n Groove & Lil Crew).** If you are unable to attend any of the required rehearsals, please contact 3D at 3ddanceuscaloosa@gmail.com immediately.

BAMA WEEK

It's the week of the show! All the magic happens on the stage! The months of preparation comes to life at the initial rehearsals at the beginning of the week. Then the dress rehearsals bring the vision to life as we rehearse for the big show nights! Please mark all rehearsals in your calendar as they are all mandatory. Attendance is essential to ensure every dancer is as prepared as possible for their stage premiere! Please plan to arrive 15mins prior to the scheduled rehearsal time. Dancers ages 6+ will be in the Dancing Through Oz practices; preschool dancers will attend all rehearsals for Off to See the Wizard. Please double-check to make sure you have the correct rehearsals times marked for your dancer. Each practice below will be held at the Bama Theatre; no practices will be held at 3D Dance. Please note: in most cases, we will release dancers as soon as possible to avoid the youngest ones staying until the latest posted time. Dancers will be released after their final routine is rehearsed. The only exception to this will be the Thursday night Dress Rehearsal. It will run in the exact order of the show. If you have any questions, please contact us at 3ddanceturscaloosa@gmail.com

IT'S SHOW DAY!

When the big day finally arrives, dancers will be well rehearsed onstage multiple times and will be ready to wow the audiences with their performances. **Please note the call times for each day.** Dancers are normally called to the theatre 1 hour prior to show time. An adult will check their dancer in with a 3D backstage official at the side stage door; however, due to limited space, parents are not allowed backstage. An hour before show time, the house will open allowing family and friends to congregate in the lobby of the Bama Theatre where they will then be ushered to their seats allowing plenty of time to find seats and visit the Bama Concessions. Please encourage audience participants to be respectful of the dancers onstage. If it is absolutely necessary to get up during the show, please wait between dances before standing as to not disturb those around you. Everyone has been working so hard to wow the community with the spectacular 3D recitals. Please adhere to the previously mentioned pick-up policies at the conclusion of the show.
