# 3D DANCE PIC WEEK PACKET 2024

The Field Gallery will be joining 3D again this season for another fantastic picture session. We were thrilled to see the results from last year and can't wait to see these stellar costumes in this experience.

Pictures will be held in lieu of normal classes **March 25-29**. All dancers should arrive dressed with hair/makeup ready 15 minutes prior to their first scheduled group photo session. The process promptly begins with the group picture followed by individual posing for each dancer.

All class picture pricing includes a group picture with 2 individual poses in each costume. Amazing family and multiple dance packages are also available. Customers will receive digital images back very quickly, as well!

While most picture times are scheduled during/close to a student's normal class time; **there are some instances where dancers will need to arrive to the studio earlier than normal**. Please be aware of the week's adjustments and plan accordingly in order to not miss any group/individual photos.

Scheduled photo sessions will **NOT** be held past the listed start time due to late arrivals and group/individual pictures will not be retaken due to tardiness/forgetfulness/time mismanagement of the account holder.

In many cases, **we can run ahead of schedule**. Please do not assume that the entire class will still be at the studio at the session's scheduled end time. Once the group photo has concluded, dancers leave the studio after their individual pictures are taken. This emphasizes the importance of arriving 15 minutes ahead of schedule so your dancer is picture ready at the scheduled start time when the group photo will be taken.

The Field Gallery pricing and packages are included in the 3D Pic Week Packet so be sure to look those over and decide the best option for your dancer. All transactions for photos go through The Field Gallery and multiple payment options including credit card, check, venmo, and more are available.

**Per request of TFG, please see the attached link on the first page to set up your online order form!**

**NEW THIS YEAR:** there is a TWO PHOTO LIMIT on family/sibling/friendship pictures in each package.

If you need more, additional add-ons may be purchased.

The studio will be set up to allow larger changing areas to make the process run quickly for students with multiple costumes. Please understand that these are very crowded weeks. We kindly ask you utilize the recommended additional parking at Indian Lakes Baptist Church once 3D's lot is full. Please supervise your dancer/other children while waiting for your photo session to begin/end. Please do not allow your dancer to eat, drink or play in their costume as they are not washable nor replaceable.

Please contact [3ddancetuscaloosa@gmail.com](mailto:3ddancetuscaloosa@gmail.com) or call 205-860-5964 for any questions you may have. We can't wait to see all our dancers in their awesome costumes and all these amazing pictures!
